NOW HIRING: BIG-HEARTED, PEOPLE-LOVING CAREGIVERS TO ASSIST SENIORS AT HOME

If you have a compassionate heart and a desire to help others with the everyday needs of life, you are made for home care!

Interim HealthCare®, the nation's first home care company and a leading employer of caregivers is currently hiring Home Care Aides, Certified Nursing Assistants and Home Health Aides.

As a caregiver, you'll help seniors and those who need extra support with daily activities, that may include:

- Bathing, dressing & personal care
- Medication reminders
- Light housekeeping
- Companionship

Working in home care, every day is different, but one thing is constant—the rewarding feeling that comes from helping someone in need. There are many other benefits as well:

- Flexible schedules
- Training and growth
- Steady hours
- Competitive pay

If caring for others is just part of who you are ... you are *made for this*. Apply today!
