

Teepa Snow

Vendor Table Sponsorship

In 2016, Senior Helpers welcomed Teepa Snow to Erie where she addressed over 500 people between the two informational sessions. In 2019, we are excited to welcome back Teepa to Erie on Tuesday, November 5, at the Zem Zem Shrine Club on 38th and Zuck. Teepa is a nationally renowned Alzheimer's & Dementia expert who has a unique and entertaining way of disseminating valuable information that appeals to both healthcare professions and the general public. Table sponsorships are available for this event. Participating vendors will be responsible for manning the table for both sessions. Tables must be set up by 8:00am the morning of the event (doors open at 7:00am) and are not to be taken down during Teepa's presentation. A table and two chairs will be provided for each sponsor. Each sponsored table is limited to two workers per session.
